Bottle of Bloom $20.00

To celebrate Maines bicentennial, we took two of Maine heritage crops and put them together for one tasty wine! This is the closest we are ever going to get to a red and we swear if you blindfolded yourself, you just might think it is one. We took rhubarb from Doles Orchard and Spiller Farm and made the wine. The we added some wild Maine blueberry juice for an amazing color and killer flavor. Blueberries (not blueberry flavoring) actually are pretty elusive. You won t get a big sticky sweet blueberry punch. You might not even know it is there.

Bottle of Piquenique $20.00

Big strawberry nose but still drinks off-dry. This wine is fun, delicious, and made with Maine-grown rhubarb and strawberries. We love using this in spritzers and sangria.
