## **CBD For Adults**

**Go Away, I'm Fizzy \$14.95**

*We know as well as any grown-up how rare it is to find 30 minutes of alone time to practice self-care. When we do find a precious moment, we want to make sure we get as much bang for our buck as humanly possible which is why we created the most soothing and relaxing bath bomb on the market. Next time you find yourself with 20 or 30 minutes, lock the bathroom door, slip into the tub along with this bomb and tell everyone to go away! You're fizzy*

**Hello Mellow Capsules \$49.95**

*Hello, Mellow, We've been looking for you! Introducing our scientifically crafted, botanically-infused chill pills. Designed to be taken up to three times daily, Hello Mellow has you covered no matter what life (or your two year old) throws at you.*

**Nighty Night Capsules \$49.95**

*Crazy schedules, looming decisions and all of the other realities that come with being a grown-up are enough to keep anyone up at night. The problem is, we need sleep. So much more sleep than we are getting. Try Nighty Night, and you can thank us in the morning.*
